

St Paul's Anglican Church

GROUND MAINTENANCE ROSTER

April 2007 - July 2007

Please note your date(s) and email Bruce Brown (boeey43@hotmail.com) if you wish to change your date. We are not permitted to publish phone numbers.

Please note that we are to include the front lawn of the vicarage as part of our lawn area. Clippings should be removed in plastic bags as the compost is no longer available.

Obviously we are in tough times for gardens and if you find that the lawns have not grown much to warrant cutting please check other aspects of the parish grounds such as the back area of the vicarage and make sure that plants are receiving some refreshment. (A BYO bucket might come in handy!)

Saturday
