## **FREEDOM in cinemas now!**

We've finally made it to the opening weekend of the national release of **FREEDOM**. We're excited to share with you that **FREEDOM** opens in **over 100 cinemas around the country** - that's over 100 local communities able to connect with this stirring feature film.

### **FREEDOM is being released as a general cinema release.**

That means it'll be up on the board, on the cinema's website and open for the general public to attend multiple sessions per day. Session times for **FREEDOM** are now up on cinema websites so check with your local cinema for times. **A full list of sites can be found here.**

### **Opening weekend is absolutely critical for FREEDOM.**

A strong opening weekend paves the way for **FREEDOM** to play for a longer time at each cinema, so the more successful the opening weekend, the bigger the potential the film has to connect with Australian hearts.

### **We have potential to influence the nation with FREEDOM.**

This is not an understatement. **FREEDOM** is having quite a wide release around Australia and there is great potential for this movie to nudge people towards a life of freedom for themselves. Our passion is for **FREEDOM** to nudge people towards God as they embrace this powerful and moving story. Take advantage of the opening weekend special offer and enjoy **FREEDOM** this weekend.

Tickets are just \$12.50 each (min 2). For voucher: <http://themoviefreedom.com/offers/>
